EL PASO BROWNS ARE NOT KICKERS

RETURN HOME WITH CHEERFULNESS OF HEART AND WELL SATISFIED WITH FAIR TOURNA-MENT.

Regarding the territorial fair base ball tournament and the return home of the El Paso Browns, the El Paso Herald says:

The El Paso Browns, winners of third money in the base ball tournament at Albuquerque, returned home this morning, and all speak in complimentary terms of entertainment given them by the people of Albuquerque.

Manager Buckner says that all his boys played good ball and behaved themselves with credit to El Paso. "We are proud that we defeated Las Vegas, the winner of first place. Our's was the only team to defeat the Las Vegas bunch," he says.

Regarding Friday's game with Trinidad, manager Buckner says: "It was not Widman's fault that we lost the game. Loring first went into the box and Widman only went in to relieve him for a while, Keating taking his place later. It was not Widman's turn in the box that day."

The El Paso boys believe that Las Vegas and Clifton had an arrangement to split the purse after tying for first place, and think this is what accounts for such a poor game yesterday between the two. The game was so bad that the management of the fair association returned the spectators their money.

The El Paso report that "Big Chief" Myers of the Clifton team, formerly of El Paso, has been signed with Dartmouth college, and left for there with Glaze, the Trinidad pitcher. This college gives a scholarship each year to some Indian who can play foot ball or base ball, and the big chief gets it this year.
